3. Reconciliation of Amounts Due and Owing for Work Performed by Dalsin

3.1 Provided that all Parties execute this Settlement Agreement on or before the close of business (5:00 PM CST) on Monday, September 14, 2015,, Sioux Falls shall issue the following payments:

3.1.1 Dalsin Closeout Payment for Premier Center Project. Dalsin acknowledges that such amount represents full payment for the contract balance, retention and any other sums owed to it by Sioux Falls and/or Mortenson for work performed on the Premier Center Project. Dalsin further agrees to discharge the lien filed in the amount of \$452,277.24 dated December 2, 2014, and, to that end, hereby authorizes its counsel of record to execute and file a certificate of

satisfaction and any other documents as may be necessary or convenient to accomplish such purpose.

("McGrath"), and each of the other Parties' and McGrath's partners, architects, engineers, board members, directors, officers, officials, shareholders, employees, consultants, agents, professionals, representatives, divisions, affiliates, subsidiaries, parents, successors, predecessors, insurers, sureties, attorneys and assigns from any claims, obligations, liabilities, damages, rights, losses, expenses (including attorney's fees), costs, and/or causes of action that arise from or otherwise relate in any way to (1) the Metal Wall Panel Issues and/or the Premier Center Roofing System Issues that the Parties now have, have had or may hereafter have and (2) payment obligations for work performed to date pursuant to the Owner/Architect Agreement, the Premier Center Subcontract and/or the IMETCO Agreement. Notwithstanding the breadth of this mutual release, the Parties agree that the obligations, promises, releases or other representations contained in this Settlement Agreement shall survive the mutual release contained in this paragraph.

5.2 In consideration of the agreements, obligations and covenants contained in this Settlement Agreement, Sioux Falls and Dalsin hereby irrevocably and unconditionally release, acquit and discharge each other and each of the other's partners, architects, engineers, board members, directors, officers, officials, shareholders, employees, consultants, agents, professionals, representatives, divisions, affiliates, subsidiaries, parents, successors, predecessors, insurers, attorneys and assigns from any claims, obligations, liabilities, damages, rights, losses, expenses (including attorney's fees), costs, and/or causes of action that arise from or otherwise relate in any way to (1) the Convention Center Roofing System Issues that the

Notwithstanding the breadth of this mutual release, Sioux Falls and Dalsin agree that the obligations, promises, releases or other representations contained in this Settlement Agreement shall survive the mutual release contained in this paragraph.

5.3 Notwithstanding the releases set forth in Paragraphs 5.1 and 5.2 above, it is expressly understood and agreed that the Settlement Agreement does not release any of the Parties from any contractual guaranty, warranty (including, but not limited to, the Golden Seal Total Roofing System Warranty), or duty of indemnification, or other obligation set forth in the Agreements and Subcontract identified above, that may exist relating to any third party claims for personal injuries, property damage or wrongful death, which may have arisen or arise as a result of the work performed on the Premier Center Project or the Sioux Falls Convention Center Project, or future claims that arise out of latent or hidden defects. A latent or hidden defect is a defect that was not (prior to the date of this Settlement Agreement) apparent or readily detectable through the exercise of reasonable diligence by the party claiming the existence of the latent or hidden defect. It is further expressly understood and agreed that in the event of any third party claim for personal injury, property damages or wrongful death, the Parties do not release each other from any claims for contribution or indemnity which they may have arising against each other. The Parties represent and covenant to each other that they are not aware of any such reserved claims described in this Paragraph 4.3 as of the effective date of this Settlement Agreement.

6. Representation and Warranties

6.1 The Parties to this Settlement Agreement specifically deny any wrongdoing or liability with respect to the subject matter of this Settlement Agreement, and the Parties stipulate that the settlement provided for herein is not and shall not in any way be construed or deemed to be evidence or an admission or concession of any fault, liability, fact or any other matter whatsoever on the part of any Party to this Settlement Agreement.

6.2 The Parties to this Settlement Agreement warrant and represent that no portion of any claim, right, demand, claim for relief or cause of action against the other Party to this Settlement Agreement, and no portion of any recovery or settlement to which any of the Parties might be entitled, has been assigned or transferred to any other person or entity in any manner whatsoever, including by way of subrogation.

6.4 Each Party to this Settlement Agreement warrants and represents that no promises or inducements have been offered except as set forth in this Settlement Agreement, and that this Settlement Agreement is executed without reliance upon any statement or representation by any of the Parties to this Settlement Agreement or any of their respective representatives or attorneys concerning the nature and extent of the claims, damages or legal liability.

6.6 The contribution of the Parties to the settlement of the Metal Wall Panel Issues, the Premier Center Roofing System Issues and the Convention Center Roofing System Issues totals One Million Dollars (\$1,000,000) as set forth above. Each Party to this Settlement Agreement warrants and represents that except for disclosure of the global amount of the settlement in the amount of \$1,000,000, any and all details of this settlement, and the consideration paid therefor, including individual contribution amounts, shall remain confidential and shall not be disclosed to any person. This agreement as to nondisclosure shall also apply to the attorneys for the undersigned. No disclosure of the terms and amount of settlement shall be made by said attorneys. Any violation of this agreement as to nondisclosure shall constitute a breach of this Settlement Agreement.

6.7 Each Party to this Settlement Agreement further warrants and represents that Sioux Falls will lead with any statements issued to third parties and/or Sioux Falls governing body regarding the settlement efforts; however, all other Parties shall review and approve any press releases issued by Sioux Falls prior to issuance. Each Party to this Settlement Agreement further warrants and represents that the use of disparaging comments toward one another or against the process would be futile and agree to refrain from doing so.

6.8 Each Party to this Settlement Agreement further warrants and represents that:

- (a) Each Party has carefully read and reviewed the full contents of this Settlement Agreement, and each Party is voluntarily entering into this Settlement Agreement with the advice and assistance of their respective attorneys;
- (b) Each Party has investigated the facts pertaining to this Settlement Agreement and all matters pertaining thereto, to the full extent it deems necessary for the purpose of executing this Settlement Agreement;
- (c) Each term of this Settlement Agreement is contractual and not merely a recital;
- (d) The Parties, and each of them, will execute all such additional documents as may be necessary to carry out the provisions of this Settlement Agreement.

7. ADDITIONAL TERMS

7.1 No additional work will be assigned to Mortenson by Sioux Falls under the CMAR Agreement as of June 5, 2015, and any additional work to be performed by Mortenson at the Premier Center Project shall be by separate agreement except for work assigned prior to June 5, 2015 and services related to warranties.

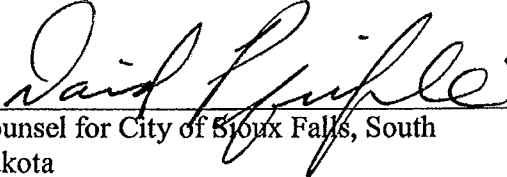

7.2 This Settlement Agreement shall be binding upon and inure to the benefit of each Party hereto and their respective representatives, successors and assigns, and any corporation, partnership, company, or other entity into which any Party hereto may merge, consolidate, or reorganize.

7.3 Each Party has cooperated and participated in, and in any construction to be made in this Settlement Agreement shall be deemed to have cooperated and participated in, the drafting and preparation of this Settlement Agreement. 1.3 **Exclusive Function as Escrow Agent.** Notwithstanding that Escrow Agent is the attorney for Sioux Falls, the Escrow Agent is not acting under this Agreement as the attorney or agent of Sioux Falls. Rather, Escrow Agent is acting in an independent individual capacity. Sioux Falls expressly consents and agrees that the Escrow Agent's legal representation of Sioux Falls shall be limited to the extent that the Escrow Agent is not obligated to take any action that is inconsistent with the duties of the Escrow Agent hereunder. That means that (a) Escrow Agent will not comply with any instruction or demand that the Escrow Fund be disbursed in any manner other than strictly as provided in this Agreement and the Settlement Agreement; and (b) Escrow Agent will not handle the Escrow Fund in any manner other than strictly as provided in this Agreement and the Settlement Agreement. In any such interpleader action, the Escrow Agent may recover its costs and expenses, including reasonable attorneys' fees.

1.6 **Indemnification of Escrow Agent.** Escrow Agent acts hereunder as a depository for funds only, and in case of any suit or proceeding regarding this Agreement, Sioux Falls and the Non-Client Parties, jointly and severally, agree to indemnify and hold harmless Escrow Agent from all loss, costs or damages incurred by it (including, but not limited to, reasonable attorneys' fees and other reasonable professional fees and expenses) by reason of this Agreement or any action, claim or proceeding brought against the Escrow Agent arising out of or relating in any way to this Agreement or any transaction to which this Agreement relates, and to pay Escrow Agent upon demand all such costs, damages, fees and expenses so incurred.

1.7 **Reliance.** Escrow Agent may conclusively presume the genuineness of all signatures on documents and instruments that Escrow Agent receives, the genuineness of all facsimile and email correspondence that Escrow Agent receives, and the authority of any person purporting to act on behalf of a party that is not a natural person. Escrow Agent may, as to any other party hereto, conclusively rely upon written instructions given pursuant to this Agreement if and when received by Escrow Agent, in whatever form received by Escrow Agent.

1.8 **No Escrow Agent Fee.** The Escrow Agent shall not be entitled to a fee for its administration of the escrow arrangement established herein.

ARTICLE II MISCELLANEOUS

2.1 **Termination.** The Escrow Fund and Escrow Agent's obligations under this Agreement shall terminate immediately upon Escrow Agent's disbursement of the Escrow Fund.

2.2 **Entire Agreement.** This Agreement, together with the Confidential Settlement Agreement and Release, constitutes the entire agreement of the parties to this Agreement with respect to the subject matter hereof and supersedes all prior agreements and undertakings, both written and oral, with respect to the subject matter hereof.

2.3 **Notices.** All notices, requests and other communications to any party hereunder must be in writing (including facsimile or email).

2.4 **Amendments and Waivers.**

(a) **Writing Required.** Any provision of this Agreement may be amended or waived if, and only if, such amendment or waiver is in writing and signed, in the case of

an amendment, by each party or in the case of a waiver, by the party against whom the waiver is to be effective.

(b) **No Implied Waiver.** No failure or delay by any party hereto in exercising any right, power or privilege hereunder shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

2.5 **Successors and Assigns.** The provisions of this Agreement are binding upon and shall inure to the benefit of the parties to this Agreement and their respective successors and permitted assigns. Notwithstanding anything to the contrary contained in this Agreement, nothing in this Agreement, expressed or implied, is intended to confer on any person other than the parties to this Agreement or their respective successors and permitted assigns, any rights, remedies, obligations or liabilities under or by reason of this Agreement.

2.6 **Expenses.** Each of the parties will bear their respective expenses incurred or to be incurred in connection with the execution and delivery of this Agreement and the consummation of the transactions contemplated hereby.

2.7 **Titles and Headings.** Titles and headings to Sections in this Agreement are inserted for convenience of reference only, and are not intended to be a part of or to affect the meaning or interpretation of this Agreement. No provision of this Agreement is to be interpreted in favor of, or against, any of the parties to this Agreement by reason of the extent to which any such party or its counsel participated in the drafting thereof or by reason of the extent to which any such provision is inconsistent with any prior draft hereof or thereof.

2.8 **Governing Law.** This Agreement is to be construed in accordance with and governed by the internal substantive law of the State of Ohio regardless of the laws that might otherwise govern under principles of conflict of laws applicable thereto.

2.9 **Severability.** If any provision of this Agreement is determined by a governmental entity to be invalid, void or unenforceable, the remainder of the provisions of this Agreement shall remain in full force and effect and shall in no way be affected, impaired or invalidated.

2.10 **Counterparts; Effectiveness.** This Agreement may be signed in any number of counterparts, each of which shall be an original, with the same effect as if the signatures thereto and to this Agreement were upon the same instrument. This Agreement shall become effective when each party to this Agreement has received counterparts hereof signed by the other parties to this Agreement.

IN WITNESS WHEREOF, the parties to this Agreement have caused this Escrow Agreement to be duly executed by their respective duly authorized representatives as of the day and year first above written.
